

NOTABLE PROGRAMS FOR LIGHTING NATIONWIDE

The following incentive programs are open and accepting applications to cover some or all of the cost of LED lighting upgrades, and retrofits, and corresponding construction, installation, and more. Most programs have strict application deadlines and requirements, and operate on a first-come, first-served basis.

STATE	PROGRAM NAME	REBATE AMOUNTS	ELIGIBLE APPLICANTS
AZ	APS Solutions for Business & Multifamily Energy Efficiency Program (MEEP)	Ranges from \$3.00 - \$50.00 per fixture. Rebates are available for energy-efficient lighting upgrades, including LED fixtures. Amounts vary based on fixture type. APS Solutions for Business Quick Look For specific incentive amounts, please refer to this sheet.	Commercial customers in Arizona served by APS.
CO	Xcel Energy Business Lighting Efficiency Program	Ranges from \$3.00 - \$250.00 per fixture. Rebates are available for a variety of lighting equipment, including LED fixtures. Specific rebate amounts depend on the type of equipment installed and the energy savings achieved.	Commercial customers in Colorado served by Xcel Energy
